The graded phonogram test is on Friday, too. The phonograms for next week are:

In other subjects students have enjoyed a variety of topics. Discussions centered on adjectives in language this week. In social studies next week the students will talk about the character trait of kindness.

For homework students have to read 15 minutes out loud, work on a math sheet, study the spelling words, and study the weekly phonograms. There is no homework on the weekends.

Have a nice weekend!
