

Mrs. Larsen's
4th Grade Class
Weekly Newsletter

Our first week of school went very well. I'm very proud of how many 4th graders conducted themselves appropriately with the new routine and procedures introduced. They are very bright kids and have shown great promise.

This week we begin our Spalding Spelling, phonograms, and bi-weekly poem memorization. As you have seen within the homework folders, Saxon Math has been started already.

Monday is the **solar eclipse** and we have been reviewing all the safety features regarding it. Permission slips will be sent out if you **do not want** your child to participate in the study of this event.

Please continue to support your child's reading time. Reading is so important to their success in school. Also, any help with your child in studying their spelling words could only build their confidence for Friday's test.

The Poem is called *The Voice*.

There is a voice inside of you that whispers all day long. "I feel that this is right for me, I know that this is wrong." No teacher, preacher, parent, friend, or wise man can decide what's right for you-just listen to the voice that speaks inside.

Phonograms-

Quote of the week-
