

Mrs. Larsen's

4th Grade Class

Weekly Newsletter

Second week of school completed!

The children are adjusting to the new class format as 4th graders, and are adapting like real troopers.

You may have noticed within their homework folders the review of their foundational skills, so that the upcoming academic work will be palatable. There is a lot of learning in 4th grade, so the children will be challenged.

We have reviewed open and closed syllables, identifying parts of speech within the context of a sentence, and identified declarative, exclamatory, and interrogative sentences. Luckily I love teaching your kids, so we do have fun!

Our first spelling, phonogram, and poem reciting tests will be on Friday. They will be ready for it! We have been doing various activities with the words, so they are prepared.

Needs: Water bottles for your child. They get really thirsty during the day.

Phonograms for the week.

di, ew, ck, p, l, f, ge, eo, ir, y, ow, th, ou, er, wr, dge, ci, ei, ti, si

Quote of the week-

"If you miss the foundation, you can't build your house."

-Mrs. Larsen
