

Mrs. Larsen's
4th Grade Class
Weekly Newsletter

Week 5! This week went by quickly, due to our nice Labor Day break. We didn't miss a beat and were off and ready to go!

Our **Word Wall** is now up and ready for all the variety of vocabulary words we will discover, in all subjects, throughout the year.

We are continuing to learn how to improve constructing sentences by using **compound and complex sentences**. We are learning how to divide words into syllables using the **Spalding syllable division method**. We also made up a fun game using **apostrophes** for the **contractions** that contain them.

In **Writing** we are learning how to choose a **strong idea**. This will aid in **writing with a purpose** and to the **proper audience**.

In **Social Studies** we studied the **Robinson Projection Map** and in **Science** we had a collaborate study with the 5th and 6th grades on the

digestion system and are learning about **bacteria and germs** and where they come from.

We will honor the observance of **Patriot's Day on Monday, September 11th** with a moment of silence at 8:46 am.

Phonograms for the week.

si, ou, er, ei, ow, ti, dge, ai, or, ci, a, e, ar, s, kn, igh, ui, ee, p, i

Quote of the week.

"A friendly smile says more than words."
-Anonymous

Need: Water Bottles and cough drops if needed.
