4th Grade Class
Weekly Newsletter

Hope you enjoy the upcoming **Labor Day Weekend**. There will be no school on **Monday, September 4th**. See you all back fresh and bright on Tuesday.

Our first **spelling test** went really well. The children did very well on it. We had our first **Saxon Math Cum Test** where the children performed outstandingly.

Our accomplishments this week were to master **identifying plural nouns, conjunctions, prepositional phrases, possessive pronouns and interrogative pronouns**.

We are putting our focus into **in-depth reading and writing texts using guided and independent work and reading for main ideas and detail**.

In Science and Social Studies we studied the **4 Hemispheres** and explored the **formation of the Grand Canyon**.

The students are making a **vocabulary notebook** of all the words that come up within a day that are

unfamiliar. This has been a fun project for them. We will eventually create a chart and post these words on our wall.

Phonograms for the week.

Poem for this week.

I cannot find my basketball. I cannot find my locker. I cannot find my homework, which is really quite a shocker. I cannot find my lunch box. Worse, I cannot find my classes. I'm going to have a rotten day until I find my glasses.

Quote of the week.

"Learning is a treasure that will follow its owner everywhere."

-Chinese Proverb

Need: Water Bottles and cough drops if needed.
