

Ms. Olson's

5th and 6th Grade

Week of February 19th

**President's Day.** In observance of President's Day, there will be no school on Monday, February 19th.

**Poem of the Week.** (Due Friday, March 2nd)

### Two Tennies

Two white tennies  
Off for a walk,  
Skip for a mile,  
Run for a block.  
Race through the park,  
Wind through the trees,  
Splash through the creek,  
Dance with the bees.  
Zip 'round the playground,  
Jump over logs,  
Drum down the sidewalk,  
Chased by two dogs.  
Two muddy tennies,  
Tired from their play,  
Wipe 'cross the mat,  
And call it a day.

by Barbara Vance

**Writing.** Sentence Fluency: Combining Sentences

**Science.** Physical Science: Why are planets round?

**Social Studies:** Ancient Egypt
