# My Neighbor's Dog is Purple

by Jack Prelutsky

My neighbor's dog is purple.
It's eyes are large and green.
It's tail is almost endless,
The longest I have seen.
My neighbor's dog is quiet.
It does not bark one bit.
But when my neighbor's dog is near,
I feel afraid of it!
My neighbor's dog looks nasty.
It has a wicked smile.
Before my neighbor painted it,
It was a crocodile!
