SCIENCE:

SOCIAL STUDIES:

Holiday celebrations in other countries

FROM THE DESK OF MR. and MRS. BOARDMAN:

Second grade students need to know addition and subtraction math facts. They need to have these memorized. Soon we will be starting to have 100 problem fact tests with a 5 minute time limit. Some students are struggling with facts and their test grades are going down. This may cause their math grade to go down. We do work on facts at school but if they are struggling we need you to work on them at home. You can see how they are doing by looking at the test sheets that are sent home. Thanks for your help.

Special Class Schedule:

Monday: Art
Tuesday: Music and Library
Wednesday: P.E.
Thursday: Computer
Friday: Spanish

REMINDERS:

Please have your child turn in the November Reading Calendar if they have not done so. Please work on the December Calendar.
