## A Peek at Our Week

**Spalding:** We will be learning one new phonogram each week for the remainder of the year. Our new phonogram this week is ph. The phonograms we will be reviewing this week are: or, ar, au/aw.

We will also be learning the first 2 of 5 jobs of the letter "e".

- 1) First job of e makes the vowel say its name (time).
- 2) Second job of e: English words don't end in "u" or "v".

### **Poem to memorize:**

Dime, dime little and thin  
I remember you're worth ten .

**Math:** We will be doing basic subtraction and will be focusing on the dime this week.

## Birthdays!
