## A Peek at Our Week

**Spalding:** We will be learning one new phonogram each week for the remainder of the year. Our new phonogram this week is oe ( the cue word is "toe"). The phonograms we will be reviewing this week are: ea, ew/ui, f/ph.

We will also be reviewing the first 2 of 5 jobs of the letter "e".

- 1) First job of e makes the vowel say its name ( time).
- 2) Second job of e: English words don't end in "u" or "v".

We will also be learning spelling rule 26:  
Capitalize proper nouns ( People, Place, Things).

### **Poem to memorize:**

Quarter, Quarter big and bold  
You're worth twenty five I'm told!

**Math:** We will be doing basic subtraction and will be focusing on the quarter this week.
