Announcements & Reminders

Welcome to Kindergarten!! We are so excited to be your child's teachers and have so many fun activities planned this week.

The papers that we send home with your student that have a checkmark, star, or sticker on them should stay at home. The packet that we sent home with the two CD's and phonogram cards should also stay at home; these are for your use and your child to use at home to help him or her to learn the phonogram sounds.

Your student should have brought home a weekly newsletter with this class weekly objective paper. The newsletter will keep you current on upcoming events at the school as well as other things we are doing on campus.
