**Raking Leaves by Barbara Vance**

**I raked the leaves on our front lawn;  
It took all afternoon. I started at  
'round half past one and said, "I'll be  
done soon." But once I saw how  
more leaves fell each time I made a  
pile. I quickly saw this outdoor chore  
was going to take a while. And so I  
did what my dad said a winner does  
to win: I studied that great pile of  
leaves, and then I jumped right in.**
