

Mrs. Larsen's
4th Grade Class
Weekly Newsletter

Week 13:

This week's focus will be *reading comprehension with informational texts and narrative style*. Identifying the *main idea and it's details*, creates a deep thinking process that is necessary for the AZ Merit tests in spring.

In Math we are learning how to compute *division problems*, identify *associate property*, and *lines and segments*.

In Science we will study *glaciers, volcanoes, and earthquakes*.

In Social Studies we are studying the *maps of Mexico and Africa*.

Phonograms for the week.

ea, i, b, c, ph, au, v, er, ar, ti, igh,
ed, ei, m, n, ou, y, ng, a, e

Keep having your children read each night. This is very important to their reading fluency and comprehension.

Quote of the week.

**Never say,
"I can't"
Always say,
"I'll try"**
