February is a busy month. The class will have a Valentine's Day party on February 14th. Students must bring a Valentine for everybody in the classroom. I will not hand out a class list due to privacy laws. The children simply write from and their name on the Valentine. We have a total of 20 students in the class. I will need donations of cookies, little cupcakes, cheese, crackers, and fruit for the party. All items must be store bought please. In an interesting side note, February 14th is also Arizona's birthday as we were admitted into the Union on that date.

February 19th is Presidents Day, and there will be no school that day.
