Poem. (Due November 16th)

Faith of the Heart By Diane Warren

It's been a long road

Getting from there to here

It's been a long time

But my time is finally near

And I can feel the change in the wind right now

Nothing's in my way

And they're not gonna hold me down no more

No, they're not gonna hold me down

'Cause I've got faith of the heart

I'm going where my heart will take me

I've got faith to believe

I can do anything

I've got strength of the soul

And no one's gonna bend or break me

I can reach any star

I've got faith

I've got faith, faith of the heart
