Parents, Our class will be exploring trees this month. We will be observing and comparing trees, discussing what lives in them and what trees are made of. If you are able to take a “tree walk” with your child we would love for you to collect tree parts for investigation. Examples: leaves, small limbs and twigs, food from trees, pinecones, flower clippings, seed or anything related to trees. Thank you for your participation in helping to educate your children. Please make sure your children have clothes in their cubbies appropriate to the weather. When dropping off your children please make sure you are having them sign in their sign in book. We are really trying to get true and accurate literacy and writing skills data for documentation. Remember it needs to be **their writing**, not the parents. **If you have any question or concerns, please do not hesitate to contact me through the classroom “remind” app. This is how we will be communicating through the year.** Thank you, Angelic Haynes (Mrs. Angelic)
