Faith of the Heart By Diane Warren

It's been a long road
Getting from there to here
It's been a long time
But my time is finally near
And I can feel the change in the wind right now
Nothing's in my way
And they're not gonna hold me down no more
No, they're not gonna hold me down

'Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
And no one's gonna bend or break me
I can reach any star
I've got faith
I've got faith, faith of the heart
