Poem of the Week. (Due Friday, December 1st)

Amanda

by Carol Diggory Shields

I think Amanda likes me.
I think Amanda cares.
Today she kicked my lunch box
Halfway down the stairs.

I think Amanda likes me.
I think it's really true.
At the hallway fountain
She spit water on my shoe.

I think Amanda likes me.
I knew it when she said
She thinks I'm gross, disgusting,
And a total cootie-head.
