Parents,

Thank you for all who attended their child's parent-teacher conferences. It was a pleasure to get to talk to all the parents on the developments of their children. All your children have progressed great since school has started. I look forward to what the rest of the school years brings and to see all your children grow. Our next lesson for the next six weeks will be trees. We will be observing and comparing trees to learn about what lives in them, what they're made from, and who cares for them. I hope this lesson will help your children explore and appreciate nature. **If you have any question or concerns, please do not hesitate to contact me at angelichaynes@yahoo.com or (602) 870-6674 and ask to speak with preschool.**

Thank you, Angelic Haynes (Mrs. Angelic)

Important:

Please sign your child in and out every day in our sign in/out book with your legal signature.
