Parents,

We are fast approaching the end of the year. That means a lot for the preschool class. We will be continuing our lesson until the end of the school year. Our current lesson is "Buildings". The children have found a great interest in this lesson. We will also be having a family engagement day. Please make arrangements to join us. We will be eating lunch together and interacting with people from our local community. We will also be having conferences this month. Please make it a point to come to your child's conference. We are planning on visiting our Franklin kindergarten class for a day in May. I am hoping that seeing and interacting with a kindergarten class will make for an understanding for our children what transition will be taken place in their future. Attendance is critical this time of year as we will be starting to practice for our preschool graduation. Please mark your calendars, all are welcome. Reminder when needing to communicate with preschool use our classroom app. If you prefer to communicate by email please do not hesitate to contact me at angelichaynes@yahoo.com

Thank you, Angelic Haynes (Mrs. Angelic)

This is a friendly reminder that preschool hours are 8:30 am to 2:45 pm, please make sure your child is in attendance during these times. We are trying to get your children ready for kindergarten and would like all parent to refrain from picking them up during these hours. Make all appointments before or after school. Thank you for everyone's cooperation.
