Parents,

Welcome back from the holiday season. Hope everyone enjoyed their families and made lots of memories. Looking forward to a new year. Our continued lesson is clothes. In this lesson we will learn about the different kinds of clothes, a variety of fabric, the process in making and selling clothes, the purpose of some clothes and how clothes have changed over time. Our classroom has a communication app we are using called Remind. If you do not have this app on your phone please try to get it. This is a convenient way for us to communicate. Wanted to give a shout out to all the parents. Thank you for everything you guys do for us. Without collaborating parents we could not have a great preschool like we do! **If you have any question or concerns, please do not hesitate to contact me at angelichaynes@yahoo.com or (602) 870-6674 and ask to speak with preschool.**

Thank you, Angelic Haynes (Mrs. Angelic)

Reminder:

Thank you to all the parents who bought in a gift for our classroom. And to everyone who donated supplies for our gingerbread house making. We had fun!!!

We are also considering a summer program called "Kindergarten Boot Camp". The cost is \$85.00 weekly and the program will run Monday-Friday 9am-2pm. Tentatively scheduled for June 11-July 20. We need a minimum of 10 participates.

We are also taking information for our preschool program for the 2018-2019 school yr. Must financially qualify and child must be 4 years of age by Sept. 1st, 2018. If you know
