Parents,

It is already April. We have 9 weeks of school left. That means a lot for the preschool class. Our current lesson is Reduce, Reuse and Recycle. This lesson will teach us the importance of recycling and what we can recycle. We are also practicing for our preschool graduation. I hope everyone can plan on attending. Following our graduation ceremony we will go back to our preschool building and each lunch with our family and friends. We are planning on visiting our Franklin kindergarten class on May 23rd. I am hoping that seeing and interacting with a kindergarten class will help our children with their kindergarten transition. We are also taking registration for 2018-2019 school year for preschool. Please see the office for registration. Reminder when needing to communicate with preschool use our classroom app. If you prefer to communicate by email please do not hesitate to contact me at angelichaynes@yahoo.com

Thank you, Angelic Haynes (Mrs. Angelic)

This is a friendly reminder that preschool hours are 8:30 am to 2:30pm. Please pick up preschool children at 2:30pm. Please park and come in to sign your children in and out. Front gate will open for arrivals at 7:45am and 2:30pm for dismissal. Thank you for all your cooperation.
