Parents,

Wow, where has the time gone? We are already into February. We will be starting a new lesson on February 12th. Our new lesson will be on buildings. The preschoolers will learn how buildings are constructed, who builds buildings and where buildings are located. The preschoolers will also become familiar with their own community when making a map of our school neighborhood. We will be having a Valentine celebration on **Tuesday February 13th**. We will allow children to exchange valentine cards. We have 19 children in our class. No class list will be provided, just have your child sign their name to the back of the valentine cards and they will distribute them in our valentines bags. During this celebration we will be decorating cookies. I will need donations of supplies. Look for a sign-up sheet. Reminder when needing to communicate with preschool use our classroom app. If you prefer to communicate by email please do not hesitate to contact me at angelichaynes@yahoo.com

Thank you, Angelic Haynes (Mrs. Angelic)

Reminder: We are taking child/parent information of those interested in our summer program called "Kindergarten Boot Camp". The cost is \$85.00 weekly and the program will run Monday-Friday 9am-2pm, tentatively scheduled for June 11-July 20. We need a minimum of 10 participates.

We are taking registration now for our preschool program for the school year 2018-2019. Please see Nidia in the office for registration packet.

Kindergarten registration is taking place now. See Nidia in the school office.
