Dear Parents,

The students are doing well in all the concepts taught in the class. Their facts and math assessments are improving every week. Students need to work on their spelling and phonograms. You can help them practice every day to achieve better grades.

Reading is an important part of the student's H.W and success. Encourage your child to sound out difficult words using their phonograms. Our goal is 30 minutes of reading every night.

Please check their backpacks for H.W. every day and remember to send it back as your student is graded for HW as well.

Warmly,
Ms. Panthaky
