

Mrs. Larsen's
4th Grade Class

Weekly Newsletter

Week 6 /September 10th-7th, 2018

Please sign your child's progress report and return by Monday.

This week starts our full week of school. **Stamina and endurance** will be the key for learning this year. **Plenty of sleep, a good breakfast, completing homework, and daily reading** are key factors for learning.

In Writing we will be working on our **Cursive Handwriting** while **Developing a Good Topic Sentence.**

In Reading we will **Read and Understand with Leveled Texts, Fact and Opinion with Point of View, and Inference.**

English we will review **Commas Between Independent Clauses.**

Saxon Math Lessons-Subtracting Two-Digit and Three-Digit Numbers, Regrouping, and Interpreting Multiplication Equations.

Social Studies we will study **Getting to Know the United States.**

Science we will study **How to Inflate a Balloon and Why do Some Planets Have Fruit?**

Spelling Words

smooth, thirteen, throat, touch, towel, umbrella, weapon, lose, loose, combination, combine, avenue, neighbor, weight, weigh, wear, entertain, salary, visitor, visit, publication, machine, toward, success, drown, adopt, secure, honor, promise, wreck

Phonograms

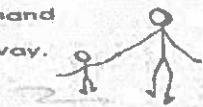

oo, ee ir, oa, ou, ow, u, ea, m, v, eigh, or, ar, ch, a, h, ck, pn, sci, eu

Poem of the Week

Hand

Take my hand...imagine
What it will someday be.
A hand that's strong, a hand that's kind
Is this what you foresee?

A hand that's skilled, a hand that's sure
A hand that someday may,
Take another little hand
And guide it on it's way.

Quote of the Week

It's
okay
+0
not know,
but It's
not okay
+0
not try.
