September 24th, 2018

Dear Parents,

Ms. Panthaky and Ms. Elliott are pleased to welcome your child to our First Grade Program.

Reading is an important part of the student's H.W and success. Encourage your child to sound out difficult words using their phonograms. Our goal is 30 minutes of reading every night.

Students need to work on their spelling and phonograms. You can help them practice every day to achieve better grades.

Please check their backpacks for H.W. every day and remember to send it back as your student is graded for HW as well.

Warmly,
Ms. Panthaky
