

LABOR DAY

Ms. Olson's 5th/6th Grade

Week of September 4th

This week:

Principal's Math Club. All students who achieve 80% or better on their math homework each month will make the "Principal's Math Club". They will receive a certificate and a special lunch with Mrs. Schrecker.

Mid-Term Progress Reports. Progress Reports will be sent home on Friday, September 7th.

Declaration of Independence Quote. (Due 9/4)

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

Important Reminder: Monday, September 3rd, there is no school in observance of Labor Day.

Writing. Reading Informational Text: *Food Webs in Ecosystems*
