---

Parents, We are already in September, wow! The first week we will be finishing up with our lesson plan “Beginning of the Year”. Then we will be moving on to the lesson plan, “Balls” This lesson will cover “do balls bounce”?, “who uses balls”?, “what are balls made of”? As we go through this lesson plan we will continue to learn concepts and skills in literacy, math, science, social studies, the art and technology. What can you do at home to help? Spend time with your child, playing with balls of all shapes, types and sizes. Talk about what balls are made of. Wonder aloud with your child to encourage his or her thinking skills. Have fun playing with balls. **If you have any question or concerns, please do not hesitate to contact me at [angelichaynes@yahoo.com](mailto:angelichaynes@yahoo.com) or through the classroom “remind” app. Once I have everyone’s current phone numbers I will be sending you an invite. This is how we will be communicating.**

Thank you, Angelic Haynes (Mrs. Angelic)

---

### Drop off and pick up times and procedures:

AM drop of – use the front gate, gate opens up @ 7:45 am

PM pick up – use front gate, gate opens @ 2:15 pm
