## A Peek at Our Week

**Spalding:** Our new phonograms this week are ci, ti, and si. Ci and ti make 1 sound, "sh". We differentiate them by using cue words. The cue word for ci is short (both short letters), and the cue word for ti is tall ( the t is a tall letter). Si makes 2 sounds, "sh" and "zh." ( ex: vision).

The phonograms we will be reviewing this week are: igh and eigh.

### **Poem to memorize:**

Ricky Rectangle is my name. 2 sides are short and 2 are long. Count my sides, come right along.

**Math:** We will be working on alternating addition and subtraction problems within 5. Several kids assume all problems are either addition or subtraction so we're having them circle the addition or subtraction sign before completing it.

EX:

$$\begin{array}{r} 4 \\ + 1 \\ \hline \end{array} \quad \begin{array}{r} 5 \\ - 4 \\ \hline \end{array} \quad \begin{array}{r} 3 \\ + 0 \\ \hline \end{array}$$
