Math: math paper attached to homework

For Your Information

SUPPLIES NEEDED:

Please send scissors to school with your student to keep in their desk. I would like to do a weekly craft project with them.

Happy January

If your students need phonogram cards and DVDs, please let us know. Some of our students are having problems learning their phonograms.

SUPPLIES NEEDED:

Please send disinfectant wipes for your students to clean off their desks after meals; anything but lemon scent is good. (I am allergic to the lemon ones.)

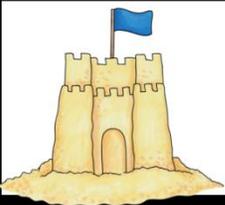

Some of our students have been writing their papers very sloppy, which makes it very hard for us to read to grade. Please have your students practice writing neatly at home, with their letters sitting on the baseline. Also, please make sure they are writing their tall letters tall, crossing their "t" high (not plus signs), and their "r" and "s" letters are not too tall. Thank you! (I do take off ½ point for these not being written correctly, as well as capital letters in the wrong places on papers I grade.)

We would like to have a Valentine Party in February with a Valentine exchange and another White Elephant gift exchange. I will send a list of the students' names home in a couple of weeks for this.

Thank you!

(If you will need Valentines for your student to give out, please let us know.)

We would like to have packaged Valentine cookies and drinks for our party.

You can reach me at:

marguerite.mcpherson@fppsphoenix.net

Your students will start learning cursive writing this quarter, but if their printing is sloppy, it will make learning cursive very difficult for them. We will be going over Spalding letter formation for printing before we learn the corresponding cursive letters because Spalding makes this transition easier to do and learn.
