Please send your student to school with a bottle of water to keep on the floor under their desks.

If we cannot read your student's completed homework, they will be required to rewrite it. They need to make their "l" tall (it cannot be short like an "i" and they should not have capital letters where there are none. Please make sure your student is writing neatly with spaces between words and sentences.

You have the most amazing group of students! I am so grateful to be working with them again this year.
I am SO blessed!!!

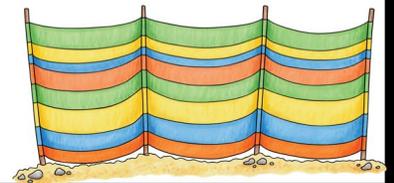

you are awesome

Your student needs to be able to do basic addition and subtraction in their heads (not on their fingers); please help them with this at home. Thank you!

You can reach me at:

marguerite.mcpherson@fppsphoenix.net

Our fifth week of school has gone really well!
Please practice addition and subtraction facts with your students in the car and at home.
