Faith of the Heart

(Theme from *Enterprise*)

By Diane Warren

It's been a long road
Gettin' from there to here
It's been a long time
But my time is finally near
And I can feel the change in the wind right now
Nothing's in my way
And they're not gonna hold me down no more -
No, they're not gonna hold me down

'Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
And no one's gonna bend or break me
I can reach any star
I've got faith
I've got faith, faith of the heart
