---

Parents, We have 30 days left of school, where has the time gone. From practicing for graduation to talking about transitioning to kindergarten, it will be a very busy 30 days. Please make sure that your children are here and on time everyday because we are going to cover a lot of information in class that will help prepare them for the next steps in their lives, kindergarten. If your child was referred to search to serve and have qualified this would be a great time to share the information with me, the preschool teacher. This information is an important piece in your child's kindergarten transition. We want to make sure all teachers are aware of important child information that can support them for a successful education. We will need approximately 100 small bags of chips, and 4 19 oz tubs of powder lemonade mix donated for graduation. If you can help with this please let me know as soon as possible. Reminder when needing to communicate with preschool use our classroom app. If you prefer to communicate by email please do not hesitate to contact me at [angelichaynes@yahoo.com](mailto:angelichaynes@yahoo.com)

Thank you, Angelic Haynes (Mrs. Angelic)

## Quality Education Stands Out!
