Resource Teacher/P.E./Athletic Coordinator

Hard-working professional with 20 years experience and proven knowledge of classroom management, lesson planning and grading. Aiming to leverage my skills to successfully fill the role of resource teacher, P.E. teacher and athletic coordinator for Franklin Phonetic Charter School.

Skills

- 18 years coaching various sports
 - 5 years K-8 P.E. Teacher
 - 15 years teaching experience
 - Lead teacher in special education
 - Grading and Lesson plan modifications for IEPs
 - Compassion-in the classroom or on the field
-

PROFESSIONAL EXPERIENCE

Franklin Phonetic School, Phoenix Sunnyslope, Az (August 2019 – Present)
ResourceTeacher, P.E. Teacher and Athletic Coordinator

Provides case management services for students on individual education plans (IEP) including all requirements related to the IEP and compliance of federal, state and district regulations/requirements.

- Prepare Individualized Education Plans (IEP's) documents and attend meetings
- Determine instructional materials and provide modified lesson instruction to students based on individualized plan goals, approved curriculum and applicable standards
- Maintain accurate and complete data records as required by the district
- Maintain on-going communication (written and verbal) with parents/guardians.
- Provide behavior management support and behavior intervention plan implementation to staff for students that receive special education services
- Collaboration with teachers and ~~or~~ administrators to develop, evaluate, and revise special education program

Franklin Phonetic School, Prescott Valley, Az (August 2005 – May 2019)
Paraprofessional, P.E./Home E.C Teacher and Athletic coordinator

- Developed the school's physical activity program
- Motivated children to be active, maintaining an inventory of supplies and responsible for ordering, creating schedules, record keeping, and training
- Teacher assistant in K-8 fostered individual growth by promoting respect for self, others and the world
- Established effective rapport with students; motivated students to develop skills
