

Hi, my name is Anna Young. I have worked for Franklin School since it opened in 1996. I am currently working in the Special Educational Department in Prescott Valley and Sunnyslope. Education is very important to me. I have a Bachelor's Degree in special education and elementary education. I also have a Master's degree in Elementary Education. I am a reading specialist and have an ELL endorsement. I am just three or four classes away from having a Master's in Special Education. I am certified in Spalding one and two. I started as an aide. Then I taught five years in kindergarten and five years in second grade. I taught baton twirling for ten years. We raised money to send the twirlers to camp.

I have four children, three of whom are married to wonderful people so that makes seven children. I have ten amazing grandchildren. Three attend Franklin school from kindergarten through eighth grade. Two of the younger grandchildren are still attending school in Prescott Valley.
