

Hello and Welcome to Franklin Primary Phonetic School of Phoenix. My name is Mary Kimball. I am the Kindergarten teacher. I started working for Franklin School last year. It was an interesting year with many challenges, but the students were fantastic!!

I have been teaching in the classroom for 40 years and involved in education for 44 years. Children are my passion because they are the future. Kindergarten gives me the opportunity to start our students off on a positive road to their education.

I am originally from Colorado, but have lived in Phoenix for the past seventeen years. My hobbies include horses, skiing and jet skiing along with being with my family and friends. I am looking forward to working with the Franklin students, parents and staff to make every child's time at school positive and engaging.

Thank you for this opportunity,
Mrs. M. Kimball
