*(Pre-Test on Wednesday and Post-Test on Friday. The Post test will be counted towards their phonogram grade).

Important: On Tuesday - 11-3 > Look for a white envelope in the blue folder. These are your child's flash cards over phonograms we are working on. **Please have them do these every night for about 10 minutes.** They will give you the sound not the name of the letter. Thank you

Reading: Sight words we are working on in class: I, Sam, two, yes, set, met, pet. We have story time each day where we read books and we discuss elements of narratives. We will continue to learn about how changing the first letter of a word changes the meaning of a word. We will also work on rhyming words, sounding out 3 & 4 letter words and constructing sentences.

Please keep reading to your child at home.

The more contact they have with the text, the better!

Handwriting: Write h, m, n, w, v, x, t, b, r, c correctly starting at either the top line or midline. Encourage your child to pull the lines all the way to the bottom line.. We will continue to work on writing all phonograms. Please practice letter formation at home also.
