Kindergarten Newsletter
Week #34
April 26th to April 30th

Hello Parents,

Welcome to Week # 34. I am very excited about the Kindergarten summer school enrollment. I feel that all kindergarteners can benefit from this program since this has not been a normal school year. **Every learning moment makes a difference. :-)**

** Kindergarten Dismissal - We will be dismissing at 2:45pm every day. **Please pick your student up by the preschool gate.** This means you will pull up to almost the Exit gate on Hatcher.We are hoping that this will make a difference in the traffic flow. Thank You!

Please help your child be successful by working on homework, spelling and reading each day. This practice will become good habits that will help them throughout their school career. The students are going to be reading , spelling, sounding out new words and growing in all areas.

Thank you for your support on this.   :-)

 We are back with the first 26 phonograms, which is the alphabet. The students will master

sounds and letter names and symbols. This is a necessity for first grade work.

Phonograms for review - a, b, c, d, e, f, g, h, i, j, k, l, m, n, o, p, q, r, s.

Phonograms for this week -   t, u, v, w

We also need to be practicing writing our letters, spelling words and short sentences. They need to know the number 1- 100, worth, order, big/small < comparisons, shapes,b colors. We will continue working on adding and subtracting,grouping and math language.

Spelling: Please help your child with spelling each night. Most students are struggling with this task,especially the test on Friday. They need to be able to spell the words in and out of order. Please mix up the words as you study them during the week. Thank you in advance!
