Poem #5 -

Straight down and around a duck alive,
add a bill to make a Five.

*The test on Poem #5 is on
Nov. 8TH.

*Thank you all for attending the conferences last week. Starting this grading period, I will expect the students to be able to name the letters (in and out of order).

Please continue to work on this at home throughout the year. We will go back starting next week to start studying letter sounds.

*Math goals are staying the same.

Please keep up the good work!
