**After care hours are 2:45 pm to 5:30 pm Monday through Friday. Fees are due weekly on Mondays for weekly payers, and the cost is \$30 per week, which equals \$120 per month. If you would like to save some money and can pay by the month, the cost is \$100, due at the beginning of each month. (Since most months have at least four weeks, this is a huge savings.) There is a discount for multiple children in the same family attending our after-care school program; an amount of \$10.00 per child per week will be deducted from the cost of multiple children attending this program.**

**After care ends at 5:30 pm; please be considerate of the women watching your children and pick your children no later than 5:30 pm.**

## Speech Screenings

Do you have concerns about your child's speech skills or ability to understand or express themselves? If so, please contact the office so we can arrange for a free speech screening.

Unfortunately children don't always bring home their homework. We would like to encourage you to practice math facts, write spelling words, and do other academic assignments at home. If students do not return their homework the morning after they have been given homework, we will provide them with an extra homework paper that may be done at recess the day they did not turn in their homework. Please check- out our website for homework.
