Dear Parents,

Reading is an important part of the student's H.W and success. Encourage your child to sound out difficult words using their phonograms. Our goal is 30 minutes of reading every night.

Students need to work on their spelling and phonograms. You can help them practice every day to achieve better grades.

Please check their backpacks for H.W. every day and remember to send it back as your student is graded for HW as well.

I love to have conversations with parents throughout the year. Please feel free to contact me with any questions or concerns. I want to partner with you in order to best support your child! ☺

Warmly,
Ms. Panthaky
