Speech Screenings

Do you have concerns about your child's speech skills or ability to understand or express themselves? If so, please contact the office so we can arrange for a free speech screening.

Franklin Phonetic School proudly follows the The Child Find mandate which requires school to locate, identify and evaluate all children with disabilities from birth through age 21. For more information, please go to; <https://www.wrightslaw.com/info/child.find.index.htm>

Unfortunately children don't always bring home their homework. We would like to encourage you to practice math facts, write spelling words, and do other academic assignments at home. When students do not return homework, we will provide another copy of the homework so that it, may be done at recess. Please check-out our website for nightly homework.
