Review of all Phonograms Aa - Zz

Happy Holidays!!! Please remember that we are having our Christmas Program on Tuesday, Dec. 14th.. There are 2 shows > 10:00am and 2:30pm. We would love for you to come and see us perform "Frosty" and "Snowman Jump". :-)

Reading: We will continue to read narratives and informatives. We have also started with our little books. These books will come home. The students need to read and practice with these books. Keep them at HOME! We will also read simple words, phonogram blending and work on reading comprehension.

Handwriting: Our focus will now be on line letters (l - / \). We are continuing to use house paper during writing. Tall letters go in the attic, short letters are written where the person lives and some letters such as g, j, q, y go in the basement. We use this language in the classroom, it may be beneficial for them at home too!

We will continue writing all clock letters correctly, starting at 2 o'clock. We will continue to work on writing e,h,i,j,k,l,m,n,p,r,t,u,v,w,x,y,z staying between the lines.

Language Arts: Listening skills, following directions, word families, nouns, and identifying the plot in a story or reading selection.

Math : Counting and number recognition 1-60, review adding 0 and 1 to a number, numbers that come before and after, pennies, dimes, counting by 10's to 100, clocks, number writing 1-20, patterns, directional words (above, below, between, middle, first, last, etc).

Science - We will be studying Measurement and comparison.

Social Studies- We will be studying globes, maps and location.

***Over the holiday your child will have a packet of review work. This is to keep them practicing on concepts we have been working on in class. Also, please have your child listen to the Phonogram Circus DVD at home. This will be a great review tool.**
