Week # 19

Spalding:

New Phonograms : sh, th

Review of all Phonograms Aa - Zz

Phonograms tested this week on Friday: A-Z

Welcome Back and Happy New Year!! I am looking forward to a productive 3rd quarter. This quarter we will be stretching out and starting to read and spell. Please take time on these new tasks with your child.

Thank you!

Reading: We will continue to read narratives and informatives. We have also started with our **little books**. These books will come home. The students need to read and practice with these books. Keep them at HOME! We will also read simple words, phonogram blending and work on reading comprehension.

Handwriting: Our focus will be on all letters. We are continuing to use house paper during writing. Tall letters go in the attic, short letters are written where the person lives and some letters such as g, j, q, y go in the basement. We use this language in the classroom, it may be beneficial for them at home too!

We will continue writing all clock letters correctly, starting at 2 o'clock. We will continue

to work on writing Aa through Zz, staying between the lines.

Language Arts: Listening skills, following directions, word families, nouns, and identifying the plot in a story or reading selection.

Math : All of these concepts will be reviewed and worked on as needed : Counting and number recognition, 1-70, review adding 0 and 1 to a number, numbers that come before and after, pennies, dimes, counting by 10's to 100, clocks, number writing 1-20, patterns, directional words (above, below, between, middle, first, last, etc). We will start to work on Addition and Subtraction.

Science - We will be studying Measurement and comparison.

Social Studies- We will be studying globes, maps and location.

Thank You,

Mrs. Kimball
