Lesson #74: Place value base 10 blocks
Lesson #75-1: Tests
Lesson #75-2: Subtracting 3s
Lesson: # 76: Place value

SCIENCE:

Plants and seeds

SOCIAL STUDIES:

FROM THE DESK OF MR. BOARDMAN:

Soon, we will be starting our Monthly Reading Calendars. This calendar will go home at the beginning of the month. On this calendar you will keep track of the books read or if your child is able to read a chapter book, you will keep track of the chapters. At the end of the school year we will count the total amount read and this will qualify the student to receive a trophy. As long as Franklin Sunnyslope has been doing this, the second grade class has had the most trophies and the top reader as well. So let's not break our record. If your child is attending class, they have a yellow homework folder that goes to and from school each day. The Monthly Reading Calendar is to be kept in that folder. If your child is learning at home, you will have to keep the calendar there until it is due.
