Spelling words and phonograms missed on practice tests and definitions for 10 spelling words

Math: attached paper

Our school holiday program will be held on the evening of December 14<sup>th</sup> at 7 pm. Your student(s) will need to be in the cafeteria at 6 pm. Updates to follow.

# CLASS NEWS

Our class Christmas party will be on Friday, December 17<sup>th</sup> in the morning. (There is EARLY RELEASE at 12:30 that day.) We will be doing a White Elephant gift exchange. (This is where your student brings a *wrapped* book or toy at that they do not read or play with anymore, or a gift from the thrift store or dollar store that is \$5 or under. The gift needs to be wrapped.) The students will draw numbers and choose a gift in that order. Each gift can be "stolen" by someone else only twice, and then it is locked to whoever has it.

## Students of the Week

Bibiana Soto  
Aaliyah Montiel  
Darwin Montes

Please make sure your student is writing their NUMBERS correctly; if we can't tell what a number is, it is marked wrong. Numbers also need to be the same size so one is not larger than the other.

I am now taking one point off work done that is missing spaces between words, capital letters in the wrong places, letters not made correctly, and missing periods. (One point for each missing space, word spelled wrong, etc.)
