If we cannot read your student's completed homework, they will be required to rewrite it. Please make sure your student is writing neatly with spaces between words and sentences.

Please send your student to school with a bottle of water to keep on the floor under their desks.

If your student does not know multiplication facts, he or she will need multiplication cards!!! You may be able to find them at a dollar store.

Students of the Week

We will have students of the week every week. The requirements for this are turning in completed homework, doing all work in class, and kind behavior towards others.

Thank you SO much for allowing me to be your student's teacher this year!!!! I am looking forward to this new school year!
