Weekly News

Week Of January 24-28

Grading Policy

When papers are graded, if we cannot read a word or it is spelled wrong, it is counted as wrong. (This is when the word is spelled correctly on the page they are writing on or it is on the board.) If a word is supposed to be capitalized and it is not, a point is lost. If there are not spaces and/or commas between words, ½ to 1 point is lost for each space not between words.
