Math: attached math paper

SUPPLIES NEEDED:

Please send scissors to school with your student to keep in their desk. They also need to each have a self-contained pencil sharpener for their desk.

SUPPLIES NEEDED:

All students need to have a pair of scissors at their desk and a self-contained pencil sharpener at their desk

Book Reports are Due!!!

SUPPLIES NEEDED:

Please send disinfectant wipes for your students to clean off their desks after meals; anything but lemon scent is good. (I am very allergic to the lemon ones.)

We would like to have a Valentine's Day party next month! Students will be exchanging valentines, and we'd like to do another white elephant gift exchange.

Some of our students have been continuing to write their papers very sloppy, which makes it very hard for us to read them to grade.

If they are not writing their tall letters tall, crossing their "t" high (not plus signs), and if their "r" and "s" letters are too tall, I will take off 1/2 point for these not being written correctly, as well as capital letters in the wrong places on papers I grade.)

You can reach me at:

marguerite.mcpherson@fppsphoenix.net

Your students will start learning cursive writing this quarter, but if their printing is sloppy, it will make learning cursive very difficult for them. We will be going over Spalding letter formation for printing before we learn the corresponding cursive letters because Spalding makes this transition easier to do and learn.
