

Week 23: February 3-7, 2020

Welcome to February! Your students are getting excited about Valentine's Day on February 14th. We will be having a small class party, and would like for the students to bring in Valentines for each of their classmates:

Girls: Cristina, Destinee, Grace, Lillia

Boys: Carlos, Colin, Jeremiah, Joseph, Julio, Raul

Mrs. McPherson and Mrs. Elliott (4th grade teacher and assistant)

We will need cookies and something for the students to drink. We will hold our party AFTER lunch so everyone can be present for it. I bought bags for the students' valentines, and they can decorate them with stickers and markers, etc.

Supplies Needed: If you see any Clorox Pacific Coconut wipes when you are out at Walmart or Target, please pick up a container for our classroom if you can. We can use Kleenex too since so many students have been sneezing.

Thank you!

Phonograms: er, or, sh, ed, x, ei, oa, ie, ce, ti, ea, si, ci, eo, g, l, p, b, d, ough, ou, ow, eigh, augh

Spelling Words: elegant, emperor, establishment, established, establish, excellent, excel, gather, generally, grateful, heir, inherit, hoarse, icicle, identified, identify, ignorance, ignorant, ignore, indication, indicate, interference, interfere, leadership, leader, messenger, message, musician, music, pigeon

In English, we will be finishing up with adverbs and starting our Arizona reports. Our new poem for Literature is on the other side of this paper.

In Reading, we will be continuing to learn reading comprehension by reading short stories that have questions with them.

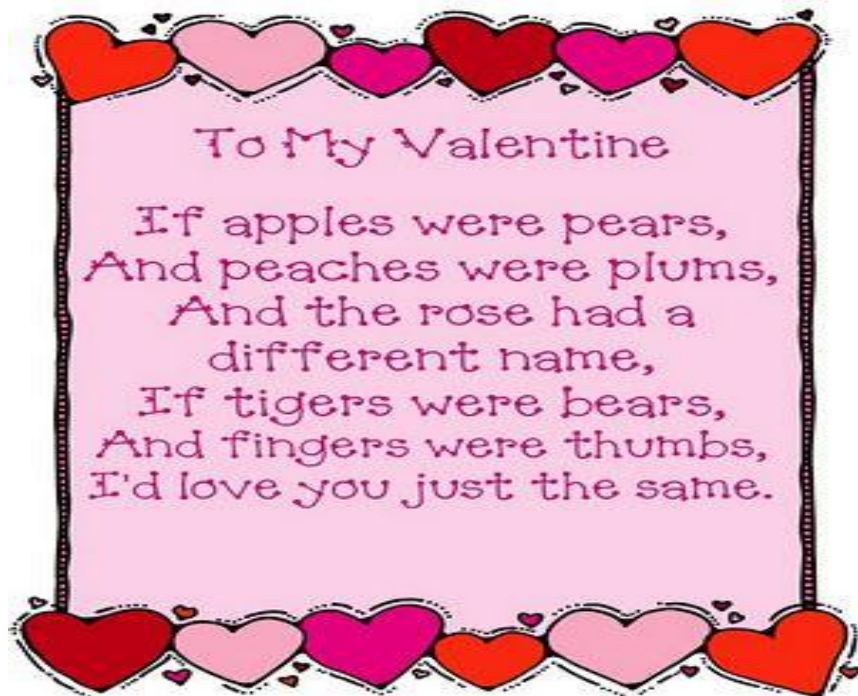

In Math, we will be starting to work on decimals.

In Science, we will be continuing to learn about and Ice Age Animals.

In Social Studies, we are continuing our study on Arizona.
